Deferment, Suspension and Cancellation Policy

Students may, in limited circumstances, request a deferment or temporary suspension of their studies during the course. The limited circumstances that a request may be made are set out in National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007 (National Code) Standard 13.

The College may also suspend or cancel a student’s enrolment against the student’s wishes, provided that such suspension or cancellation is consistent with the College’s policies and/or Australian Law. Before suspending or cancelling a student’s enrolment the College must notify the student of its intention to take such action and allow the student 20 working days to access the complaints and appeals process (see: Complaints and Appeals Policy). If accessed, the College must not notify Department of Education, Employment and Workplace Relations (DEEWR) of a change to the enrolment status until the internal complaints and appeals process is completed.

The College must in all cases, inform the student that deferment, suspension or cancellation of enrolment may affect his or her student visa.

English Unlimited must report to DEEWR via Provider Registration and International Student Management System (PRISMS) when a student’s enrolment is deferred, suspended or cancelled.

IMPORTANT: A student may be excluded from class as a disciplinary measure. An exclusion from class is different to a suspension of enrolment, which means to temporarily put studies on hold (adjourn, delay, postpone) and which must be reported on PRISMS. An exclusion from class will not be reported on PRISMS.
