Academic Manager Welcome Message – Adam, Melbourne

Welcome to English Unlimited Melbourne, where you can improve your English-language skills in one of Australia’s premier cities! Here, you can enjoy an authentic learning experience, studying with our experienced teachers and practising with other students from countries all over the world. You can feel confident that our team is dedicated to helping you on your language-learning journey. Melbourne is a beautiful city, renowned for its landmark buildings, free trams and colourful street art. There are many things to see and do. In mornings, you can enjoy the city’s coffee culture; in evenings, you can enjoy our vibrant nightlife and live music scene. We hope you enjoy learning English, reaching your goals and making friends at English Unlimited!

YOUR FIRST DAY AT ENGLISH UNLIMITED

a) On the first day you will be given a placement test and interviewed to assess the level of your English and so you can tell us about your academic goals. Then you will be given a tour of the College, and join orientation where we tell you important things about English Unlimited, Brisbane/Melbourne and Australia.

b) You will have your photograph taken for your student card. Please collect your student card from Student Care on Tuesday.

c) You will then join your classmates. Don’t worry if you cannot understand everything your teacher says during the first week of classes - we do not expect you to understand everything! It takes a little time to adjust to new accents and teaching methods.
This Orientation Manual covers many of the areas you should be aware of as a student at EU. Please make sure you are familiar with all the items it contains.

The following entries are in alphabetical order for easy reference.

ACADEMIC PERFORMANCE

English Unlimited expects that all students maintain a minimum level of academic performance at all times. The minimum level of academic performance that the College expects is that students pass at least 50% of the weekly review tests. You are also expected to participate in all class tasks and all homework must be completed. All of these things will count towards your course assessment. A student reaching the minimum level of academic performance should be progressing in English proficiency by the equivalent of 0.5 IELTS for every 12 weeks.

All students will be assessed and monitored each week.

If your teacher considers that you are not making satisfactory course progress, he or she will meet with you to talk about it, or refer you to the Academic Manager. You may be given the opportunity to move to an easier class or to do extra activities to help you. Some of these may be:

- developing a learning contract and study plan with your teacher or a member of Academic Management.
- having some individual language support sessions with a teacher (there may be an extra cost for this).
- having extra tasks set by your class teacher to work on a particular area of weakness, e.g. computer assisted language learning, reading tasks, grammar exercises, trial tests etc.

You will be given a letter outlining the consequences if you fail to achieve satisfactory progress.

The College will do everything it can to help you with your studies. However, if you still do not achieve satisfactory progress after being assisted by the College, we must report this to the Department of Education via PRISMS. You will receive a notice of intention to report which includes information on accessing an appeals process.

If you believe that you have been treated unfairly, you may make an appeal through the College’s complaints and appeals process.

Until you are advised by the Department of Immigration and Border Protection (DIBP) that you are no longer on a current Visa, you will still be allowed to attend classes as long as your fees are up-to-date and you have satisfactory attendance.
ACCOMMODATION

Living with an Australian family is called Homestay. Homestay is an excellent introduction to the Australian way of life and provides a great opportunity to practise speaking English. Students will be treated as part of the family by their hosts.

The fee for homestay covers: 7 breakfasts, 7 dinners and 2 lunches on the weekend

Single rate: student’s own room, with bed, desk for study and wardrobe

Shared rate: 2 students sharing one room with bed, desk and wardrobe

The minimum length of stay in a home is 4 weeks. If students wish to leave their homestay they must inform their host 2 weeks before they leave. This is called 2 weeks’ notice.

For information about homestay and shared accommodation please talk to the Student Care team. If you have a problem or question about accommodation, for example homestay, please talk to the Student Care team.

ADDRESS

Any student visa student who moves to a new address must notify the Department of Immigration and Border Protection (DIBP) and the College immediately. It is a requirement of your visa that you inform both.

ATTENDANCE

VERY IMPORTANT – The College expects all students to maintain an attendance level of 100%. All overseas students on a Student Visa must attend classes for 20 hours per week and maintain an attendance rate of at least 80% at EU. This is a condition of your Student Visa.

a) The College is only able to calculate attendance based on a student’s actual time studying in class. If a student is away from class for any reason, including medical reasons, then the time away will be deducted from the student’s attendance (see also Medical certificates).

b) Students on other visas – working holiday & travel, dependant – you must also attend a minimum of 80% of your classes and study 4 weeks or more if you want to receive a REPORT from your teacher at the end of your course.

c) If you arrive at the College 10 minutes after the start of class, leave more than 10 minutes early or are out of the classroom during lesson times for more than 10 minutes, you will be marked absent for each hour that this affects. This will affect your overall attendance.

d) Remember - if you are on a student visa and you want to continue your studies at EU, go to University or another college, or if you want to change your visa to another visa - you must have an attendance of 80% or more. It is your responsibility to come to class every day and to maintain your attendance.
If your attendance falls below 87% you will be sent an email warning you about your attendance and asking you to see Student Care. If you still do not maintain satisfactory attendance and your attendance falls below 80% we must report this to the Department of Education via PRISMS. You will receive a notice of intention to report which includes information on accessing an appeals process.

If you believe that you have been treated unfairly, you may make an appeal through the College’s complaints and appeals process.

Until you are advised by the Department of Immigration and Border Protection (DIBP) that you are no longer on a current Visa, you will still be allowed to attend classes as long as your fees are up-to-date.

**BANKING**

Many banks allow you to apply for bank accounts online. You can also apply at any branch. Make sure you take your passport as proof of identification. You may need to also provide proof of your address. Ask at Student Care for a letter of enrolment with your address. Remember to CLOSE your bank account before you return to your country.

**CAREERS & EDUCATION ADVICE**

For information on what to study later at university or elsewhere, please see the Academic Manager.

**CHILDREN AND BABIES**

The College does not have child-minding facilities. If you have children younger than school age you will need to make arrangements with a day care or pre-school facility. Any school age children attached to your visa should be enrolled in a local primary or high school.

**CLASSES**

If you have a problem or question about your class (for example, homework, your studies, queries about grammar, pronunciation or vocabulary) first talk to your class teacher. If your teacher cannot help you, then talk to the Academic Manager.

**DEFERMENT/SUSPENSION OF STUDIES**

Deferment of commencement of study requested by student – The College will only grant a deferment of commencement of studies for compassionate and compelling circumstances (refer to the Deferment, Suspension and Cancellation policy for more details). The final decision for assessing and granting a deferment of commencement of studies lies with the Campus Director/Manager.

a) Once the student has commenced the course, the College will only grant a suspension of study for compassionate and compelling circumstances.

b) The period of suspension will not be included in attendance calculations for the College.

c) Where a student is granted an extended period for suspension of study and is remaining in Australia for the duration of the suspension, the College may decide to make the suspension conditional upon regular meetings with the College Student Services staff, if there are concerns about the student’s welfare and support network.

**Exclusion from class** - The College may exclude a student from class studies on the grounds of misbehaviour by the student. Exclusion will occur as the result of any behaviour identified as resulting grounds for exclusion in the College’s Student Code of Conduct. (See *Student Code of Conduct*)

**College-initiated suspension of studies** - The College may initiate a suspension of studies for a student on the grounds of misbehaviour by the student. Suspension will occur as the result of any behaviour identified as resulting in suspension in the college’s Student Code of Conduct. (See *Student Code of Conduct*)

**Cancellation of enrolment** - The College will cancel the enrolment of a student under certain conditions. Please refer to the Deferment, Suspension and Cancellation Policy on our website for the conditions of the cancellation of enrolment).
**Student Advice** - Deferment, suspension and cancellation of enrolment can have an effect on a student’s visa as a result of changes to enrolment status. Students are advised to contact the Department of Immigration and Border Protection (DIBP) for advice.

**DICTIONARIES**

We strongly suggest that you buy an [English - English dictionary](#) or use a digital or online dictionary. Please ask your teacher to recommend a good dictionary.

**DISCIPLINE**

GRIEVANCES (COMPLAINTS)

A grievance is a problem you might experience with the school about something that has happened which you believe is unfair. Generally, the first person to see about this problem is your class teacher or Student Care for an informal resolution of the complaint.

Please do not be afraid or shy to speak to one of the staff at the College. It is not impolite to ask questions or to tell the staff about your feelings. We want you to enjoy your studies and your stay at EU - there is always someone here to help you. Remember! We cannot help you if you do not ask us for help.

If the problem cannot be resolved informally put your concerns in writing using the College’s grievance form. Grievance forms are available from Student Services or the College website www.eu.edu.au. All internal appeals processes will be at no cost to the student or staff member and will commence within 10 days of lodging the complaint.

LIVING IN AUSTRALIA
AUSTRALIAN PEOPLE

Australians are friendly people and quite informal.

Don’t forget different countries have different customs. We say ‘please’ and ‘thank you’ a lot and always say ‘excuse me’ when we talk to a stranger or to someone who is busy.

It is okay to shake hands when you meet someone - or just smile and say ‘How are you?’

Australians use first names a lot, but with older people wait until they ask you. Call them ‘Mr Smith’ or ‘Mrs Smith’ or by their first name if they ask you.

CLIMATE

The weather in Brisbane may change many times during the day. During the spring and summer months temperatures can range from 15 degrees Celsius to 40 degrees, in the middle of the day. You should dress lightly but always carry a light sweater or cardigan for the evenings. During autumn and winter, the temperature ranges from 5 degrees to 15 degrees Celsius. You should wear a jacket or coat, especially in the city, where the wind is strong and cold. Although it does not snow in Brisbane, winter is very cold because most homes do not have central heating.

Melbourne has a reputation for its changeable weather. A tip for any visitor is to be prepared for anything – take an umbrella and wear layers that can be worn or removed as needed. As a general rule, Melbourne enjoys a temperate climate with warm to hot summers, mild and sometimes balmy springs and autumns, and cool winters.

WATER USE

Australia is a dry country and has water restrictions in place to limit the amount of water that is wasted. Please remember to turn off taps, limit the length of time you leave water running when you clean your teeth, take a shower or wash your hands. If you own a car use a bucket to clean your car instead of a hose. The water authorities in each state impose heavy fines for water wastage.

SAFETY

Australia is considered to be one of the safest countries in the world. However, like in all countries/major cities, undue risks should not be taken. For example, avoid poorly-lit areas at night time, do not provoke undue attention to yourself with loud behaviour, dress etc. and take care of your valuables and belongings at all times. If you are not familiar with the city or if you must travel at night, travel with a friend. Also do not accept a ride in a car from someone you do not know, even if they seem friendly or helpful.

LOST PROPERTY

Any items found in the College should be taken to Student Care to be placed in the Lost Property box. If you lose something in the College, check with Student Care to see if it has been handed in. Any items not claimed after three months will be donated to charity.

MEDICAL CERTIFICATES
The College only accepts certificates issued by registered medical providers such as hospitals, doctors, dentists, physiotherapists, chiropractors, optometrists, ophthalmologists, psychiatrists and psychologists. The College does not accept certificates from alternative medical practitioners such as herbal practitioners, acupuncturists, Chinese therapists, massage therapists, iridologists, psychics etc. See: Attendance for further information.

MOBILE PHONES

ALL mobile phones must be switched off while you are attending classes unless mobile devices are being used for class tasks. It is very rude to your fellow students and your teacher to accept calls in class. If you need to be contacted urgently while you are attending class, you can inform potential callers, prior to class, to leave a message with Student Care.

NOISE

It is courteous and considerate not to make excessive noise at the school. Please be especially careful about being quiet when exams are taking place in nearby rooms. At the city campuses please remember to be quiet when entering and exiting the building.

OPTIONAL CLASSES

English Unlimited provides eight hours of optional classes to complement your study and help you improve your English, fast. Our communicative after class English (ACE) sessions focus on aspects of the language to help you feel more comfortable, confident and proficient in using English in the workplace and on the streets. PERSONAL PROBLEMS

Hopefully, your time in Australia will be a happy one. However, inevitably, sometimes problems occur in your life that can’t be controlled. EU understands that these problems often feel worse when you are a long way from home and family.

Student Care can provide information about counselling services if you are having problems such as:

• crises in your life (your own or your family’s),
• difficulty in making an important decision,
• feeling depressed,
• feeling highly stressed,
• alcohol/drug abuse, gambling or other addictive behaviour that is seriously affecting your health or social functioning, including your study,
• eating disorders,
• suicidal thoughts.

PHOTOCOPYING

Your student account is pre-loaded with $10 of printing credit. If you want to top up your account please talk to the Student Care team before or after class.

POLITENESS PAYS

Please be polite to your teachers and classmates. Your teachers at EU are male and female. Your classmates come from many different parts of the world. We ask that you show respect for all your teachers and classmates, regardless of their age, gender, nationality, religion, sexual orientation or the way they look. This helps others to respect you and brings an important dividend – a good reputation for your country!

POST OFFICE

Australia Post outlets are open Monday to Friday between 8:30am and 5:00pm. In major shopping centres they may also be open on Saturday mornings. Please refer to Shops Near Campus Sheet.

**PUBLIC HOLIDAYS**

Please refer to the *EU Holidays* sheet attached for dates of public holidays. The College will be closed on these dates. You must get approval from the College for all other holidays.

**PUNCTUALITY**

Punctuality is very important. Coming late to class not only disrupts others in your class and distracts your teacher but will also affect your attendance. If you come back to class late after a break, this too will affect your attendance.

**RESPONSIBILITY FOR EQUIPMENT USED**

Students are responsible for any equipment they use at the College. Any deliberate damage to equipment or property by students may mean they have to pay for the damage. Please notify your teacher if any breakage occurs or if any equipment you are using is not in good working order.

**SAFETY**

Australia is considered to be one of the safest countries in the world. However, like in all countries/major cities, undue risks should not be taken. For example, avoid poorly-lit areas at night time, do not provoke undue attention to yourself with loud behaviour, dress etc. and take care of your valuables and belongings at all times. If you are not familiar with the city, or if you must travel at night, *please travel with a friend*. Also do not accept a ride in a car from someone you do not know, even if they seem friendly or helpful.

SPEAKING ENGLISH

At the College speak English as much as possible because you are here to learn and improve your English. Also, please do not speak your own language in class; it is rude to students from other countries. You will get much more English practice if you make friends with students from other countries. All English Unlimited campuses operate an ENGLISH ONLY policy.

STAFF
Please refer to the *Staff at EU* sheet.

**STUDENT CARDS**

For security reasons you must carry your ID card at all times while you are at the College. You should see Student Care to have your photograph taken so that your card can be made. If you lose your card a $5 replacement fee applies.

**STUDENT COMMON ROOM**

There is a kitchen/common room with microwaves for you to use and a vending machine for you to purchase snacks and drinks from. You can eat your lunch/dinner and snacks here. There are rubbish bins provided, so please use them and help to keep our College clean.

All student records are kept in a secure location and are accessible only to College personnel. Any student wishing to view their file can do so by asking Student Care or the Academic Manager.

**STUDENT SERVICES**

A number of confidential services are available to provide support to students, for example: certain visa requirements, employment, finances, harassment, health, welfare, safety, student rights and responsibilities and other service providers. These services are available on an appointment or drop-in basis.

**STUDYING IN AUSTRALIA**

This section will explain some of the differences you can expect while studying in Australia. Studying in Australia is very different from some other overseas countries, particularly countries that do not have a Western Academic tradition.

In some courses you will not write as much as you may be used to because the emphasis will be on speaking English and on listening to and understanding English when it is being spoken. This is the case in General English where all skills are covered but there is more speaking and listening. Teachers may ask you to work together with one or more other students, talking together, solving problems and working in groups. This is part of the *Communicative teaching method* where you actually have to use English to communicate with your classmates. In academic courses like EAP there will be a strong emphasis on skills needed for University and Vocational courses while exam preparation programs will focus on the skills you need to successfully complete these exams.

You will find that there is less memorising required of you and more thinking and judging. Teachers will ask you to speak in class and they will expect you to “approach your studies with a critical and questioning mind.”¹ You will be asked to discuss topics, think about issues surrounding topics, then form your own opinions and defend those opinions both in the spoken and written form. Your teacher will want to know
what YOU think and feel. You will also learn about very practical issues that will help you to adjust to Australian culture. (For example, you will learn how to ‘catch a train’, which name is appropriate to offer in conversation, how to fill out forms and other practical matters). These topics are teaching you English.

You and your teacher will go out of the classroom together and this will benefit you in practising English as well as learning more about Australian culture. You will use these short trips and excursions to practise the skills required, to complete tasks set. Enjoy this new challenge in your life and try to adjust to thinking for yourself, expressing your opinions, asking questions and speaking a lot of English.

So....the challenge you face is not just ‘learning English’. You must learn to adjust to the new style of teaching and learning too.

TIPS FOR SUCCESSFUL STUDYING

Speak English outside the College as much as you can! Try to mix with students of other nationalities on the weekend and in the evening.

Try to find some activity or interest that will give you a chance to practise - e.g. learn a sport, go to an art class, join a church etc.

Read a newspaper as often as you can. Listen to the radio, watch TV (watch the News), read advertisements and posters and signs. English is all around you!!

Speak English in class at all times. Your English will not improve if you’re relying on your own language to communicate.

TESTS AND REVIEW

Every Monday morning you will do a weekly review quiz, covering the content of the previous week’s study. If you get consistently good marks on the Monday weekly review test, do your homework and have good attendance, your teacher will recommend that you do the test to change to a higher level. Class movement tests are available on Wednesdays (grammar, reading and writing), with the spoken part on either Wednesday or Friday.

TEXTBOOKS AND STUDY MATERIALS

You will receive your textbook from Student Care on the first day before you go to your class.

TOILETS

Separate male and female toilets can be found at all campuses. If there is no toilet paper in the toilets, please inform Student Care. Please dispose of all sanitary pads (etc.) in the container provided in the female toilet. Put all paper towels in the bins provided.
TRANSFER REQUESTS

A Student Transfer Request refers to international students currently enrolled at EU who wish to transfer away from the College to another institution or students who wish to enrol in EU from another institution.

1. Students transferring in under the first six months of study

Overseas students are restricted under the National Code 2007 Standard 7 from transferring from their principal course of study for a period of six months and, only under certain circumstances can the student transfer their course in under six months. This restriction also applies to any course(s) packaged with their principal course of study.

2. Applying for a letter of release

Students can apply for a letter of release to enable them to transfer to another education provider. However EU will only provide a letter of release to students in the first six months of their principal course under certain circumstances.

Students granted a visa under Streamlined Visa Processing

If you have been issued with a visa under Streamlined Visa Processing (SVP) provisions any changes to your course (or package of courses) including changing courses within EU or changing to another provider may have implications for the continuance of your visa. There are limited circumstances for you to be able to change courses, please refer to the College’s Student Transfer Request Policy for more information. In some cases you may be required to apply for a new visa if you change to a non-SVP course or provider. The College strongly recommends that you seek advice from the Department of Immigration and Border Protection (DIBP) or a registered migration agent before making a final decision.

TRANSPORT

Public transport is very easy to use in and around the CBD.

In Brisbane you will need a Go Card. To purchase a Go Card please go to any train station or newsagent.

In Melbourne you will need a Myki card. To purchase a Myki card please go to any train station or newsagent. Note that in Melbourne all public transport within the CBD is free.

If you are over 15 years of age, you must pay the adult fare for ALL transport. Unfortunately, International students cannot pay concession fares. Your student card does not entitle you to a discount on buses, trains and ferries.

VISA

If you have a problem or question about your visa talk to the Department of Immigration and Border Protection (DIBP) about your visa or other immigration matters, located at:
OVERSEAS STUDENTS ON STUDENT VISAS HAVE RESPONSIBILITIES TO:

- satisfy student visa conditions
- maintain Overseas Student Health Cover (OSHC) for the period of their stay
- meet the terms of the written agreement with their education provider
- inform their provider if they change their address
- maintain satisfactory course progress
- follow the provider’s attendance policy, and
- if they are under 18, maintain approved accommodation, support and general welfare arrangements.

VOCATIONAL SCHOOL

Our sister school, Australian Pacific College (APC) runs Vocational classes in Accounting, Business, Hospitality, Marketing, Management, TESOL and Tourism on our campuses. The academic entry requirements for this school are generally an English level of Upper Intermediate and equivalent of completion of Year 11 at an Australian high school. For the TESOL qualification you must already have a Bachelor’s degree and English proficiency of IELTS 6.5 or equivalent. For more information about these courses please see Marketing or Student Care.

WORK, HEALTH & SAFETY (WHS)

EU has a number of policies to facilitate a safe and harmonious working environment and to meet various statutory compliance requirements.

In brief, under our WHS policy, students:

- are required to take reasonable care of themselves and others in the College;
- have a responsibility to co-operate with all health & safety provisions;
- have a responsibility to comply with relevant EU WHS management system policies, procedures and programs, as appropriate;
- must not bypass or misuse systems or equipment provided for WHS purposes;
- are required to carry a student identification card at all times while on College premises.

Please refer to policies published on our website [www.eu.edu.au](http://www.eu.edu.au) for more details.

WORKING

Be careful to follow the rules of your visa. If you have a student visa, remember:
Before starting a job, you must have ‘permission to work’ from the Department of Immigration and Border Protection (DIBP). Student visa students are automatically granted work permission once their course commences (eCOE start date).

You can’t work more than 40 hours per fortnight* (except during holidays).

* a fortnight starts on a Monday and finishes the Sunday of the following week

The information here is a reminder only – please check with immigration for the exact rules that apply to you.

You will also need to get a tax file number – if you don’t, you will pay too much tax. Most people who have visas with work permission can apply on-line: go to www.ato.gov.au, click on ‘For individuals’, go to the link that says ‘Apply for a tax file number’ and follow the instructions.

WORKPLACE RIGHTS

All people working in Australia, including workers from overseas, are entitled to basic rights and protections in the workplace. This includes backpackers, seasonal workers, international students, temporary visa holders, long-term visa holders, permanent migrants and others.

Commonwealth workplace relations laws apply equally to both overseas workers and locally employed workers.

For information about fair pay and work conditions for international students see:

If you believe you are not being treated fairly by your employer you can contact the workplace ombudsman for help.

Over the telephone – call the Fair Work Ombudsman Help Line on 13 13 94 to lodge a complaint or seek information.

(Contact the Translating and Interpreting Service (TIS) on 131 450 for the cost of a local call 24 hours a day seven days a week if you need help communicating in English).

Students who are found to have plagiarised an assessment will receive a mark of zero for that assessment.

• can lodge a complaint or appeal without fear of victimisation and with assurance that the matter will be treated seriously, expeditiously and sensitively having due regard to procedural fairness and confidentiality.

**PART C: STUDENT MISCONDUCT**

There may be occasions when a student’s conduct is a cause of concern in relation to the safety of that student, staff or other students. Such concerns should be referred to Student Services who will arrange for assistance to be provided to the student concerned if considered warranted and in the best interests of the student.
Procedural Fairness
The College is committed to the principles of procedural fairness and natural justice. This includes:

- the presumption of innocence unless guilt is freely admitted or proved by clear and convincing evidence,
- the right to be heard,
- the right to be treated without bias,
- the right to be informed of allegations being made and to be provided with an opportunity to respond to these,
- the right to be given reasons for any decision.

A student shall be given an opportunity to correct information and explain mitigating circumstances

No member of staff can make a determination on a misconduct matter if he or she has had prior involvement in any aspect of the allegation.

Students are entitled to due notice of any allegations of student misconduct made against them. Allegations may be amended at any time before their determination, provided the student has received notice.

Knowledge that a student has been found guilty of a past misconduct offence shall not be taken into consideration when determining guilt relating to the current allegation, but may be taken into account when considering the penalty to apply.

The College takes multiple breaches of the Student Code of Conduct seriously. Knowledge that a student has been found guilty of a past misconduct offence (whether or not the same conduct or allegation) will be taken into account when determining the penalty/ies to be imposed.

If multiple allegations of a similar nature come to light at the same time, these can be considered as one allegation if the Academic Manager (ELICOS) believes that is appropriate in the circumstances.

The standard of proof used in determining misconduct matters is whether the Academic Manager (ELICOS), after evaluating the evidence presented, believes it is more likely than not that the allegation against the student has been made.

The College is committed to investigating and determining allegations of student misconduct as expeditiously as is practical recognising that a student can be significantly affected by delay in the resolution of the matter. A specified time period may be extended at the discretion of the Academic Manager (ELICOS).

Upon receipt of the written allegation of student misconduct the Academic Manager (ELICOS) will, in writing, and within ten days:

- notify the student of the allegation;
- give the student a copy of this Code of Conduct;
• ask the student to answer the allegations and to provide information in relation to any mitigating circumstances the student wishes to be taken into account if the allegation is admitted;
• give the student a period of not less than seven days in which to respond;
• advise the student that he/she may bring a support person to any interview that may be held.

Where the student admits the allegation the Academic Manager (ELICOS) may:

• impose no penalty because the Academic Manager (ELICOS) believes that no penalty is warranted; or,
• impose one or more of the penalties that the Academic Manager (ELICOS) believes is appropriate considering the circumstances. Some of the penalties are set out in Table 2 below; or
• advise the student within 14 days in writing of his/her determination and the reasons for it.

Notification of any adverse determination will include notice of the student’s right of appeal.

Where the student denies the allegation the Academic Manager (ELICOS) may, after investigating the matter in accordance with this policy, take action including:

• determine that the student has satisfactorily addressed the allegation/s and dismiss the allegation/s; or
• advise the student within 14 days in writing of his/her determination and the reasons for it.

Notification of an adverse determination must include notice of the student’s right of appeal in accordance with the Student Complaints and Appeals Policy.

Where an adverse finding has been made against the student a student has 20 days to appeal the determination (“Appeal Period”). The 20 days shall start to count from the date a student is notified of the determination.

If the student does not appeal the determination then any penalty imposed will take effect upon expiry of the Appeal Period and the College shall take whatever action is necessary including reporting the student to the Department of Education via PRISMS if required.

If the student appeals the determination then any penalty will not take effect until all avenues of appeal are exhausted in accordance with the Student Complaints and Appeals Policy, and once exhausted the College will take the appropriate action as required by such appeal.

An appeal by the student can be based on one or more of the following:
• lack of procedural fairness in the investigation process conducted by the College;
• that the determination was manifestly unreasonable or cannot be supported having regard to the evidence.

Congratulations!

You have come to the end of the orientation pack and now know all the important things about the College.

Good luck with your studies! 😊
I have received the College Orientation Manual and understood and agree that it is my responsibility to read it.

I understand that policies referred to in this handbook are available in full on the college website and that it is my responsibility to read the full policies on the college webpage.

I understand the College offers assistance and counselling and is committed to servicing my professional development according to the course syllabus. I accept that it is my responsibility to act on my own initiative if I require academic assistance or counselling beyond scheduled classes.
